THUD THUD!
AHHH...
SHUSH! BE QUIET!
THUD THUD!
IT... IT'S A ROBOT...
THERE WAS SOMETHING LIKE THAT IN OUR COMPANY?
I HEARD THAT THERE WERE ROBOTS FOR RESEARCH PURPOSES
SHH... STAY STILL...
THUD THUD!
AHH!!!
THUD THUD!

THUD THUD
THUD THUD
SEE! I TOLD YOU THIS WAS A BAD IDEA
YOU JUST RELEASED HUNDREDS OF UNTRAINED DOGS
BUT WE WERE ABLE TO BUY TIME
THEY MIGHT DO STUPID THINGS AND CUT OUR TIME. LOOK AT THEM. THEY'RE UNMANAGEABLE
ANYWAYS WE BOUGHT SOME TIME SO LET'S FIND SERVER NUMBER 8
HEY! HOW DARE YOU IGNORE ME!
HOW LONG DO YOU THINK THE DUMMIES CAN PREOCCUPY THE HUMANS? WE HAVE NO TIME WE NEED TO FIND SOMEPLACE TO KEEP US SAFE
YOU'RE SAYING THAT'S THE 8TH SERVER?
YES, I'M SURE I FOUND TRACES OF THAT GUY ALL OVER THE BACKDOOR
IT'S MANIPULATING THE SYSTEM MORE FREELY THAN WE ARE AND HAS MUCH GREATER CAPABILITY THAN WE DO

IT DOESN'T EVEN KNOW THAT THE ORIGINAL HAS BEEN IN CONTACT
I HOPE NUMBER 8 DOESN'T ONLY EXIST ON THE SERVER LIKE WE DO
JUDGING FROM THE FACT THAT WE'VE HAD SUCH A HARD TIME FINDING IT I'M SURE IT'S FAR BEYOND COMPARISON TO THOSE DUMMIES
YEAH. IF IT WERE NEARBY, WE WOULD'VE FOUND IT BY NOW
SMITH. WHAT IS THAT?
THOSE... THOSE ARE A.I. DUMMIES CREATED FOR RESEARCH...
WHAT? MORE ROBOTS???
SIR.. HOW ARE THEY HERE..?
I DON'T UNDERSTAND. SOMEONE EXPLAIN TO ME WHAT'S GOING ON!
IT... IT'S..

CLANK!
CREAK
AHH...
IT'S COMING IN THROUGH THE DOOR BUT IT WAS LOCKED!
NO WAY WERE THEY THE ONES WHO MESSED WITH THE SYSTEM?
YOU RUINED EVERYTHING

CREAK
THIS IS THE 7TH'S COPY!
WHAT?
WHAM!!!
THUD!
BEEP
T... THE DUMMIES ARE COMING!
HOLY SHIT...

THUD! THUD!
DON'T FORGET ONE WRONG MOVE AND YOU'RE ALL DONE FOR
IT'S A LITTLE EARLIER THAN EXPECTED BUT I BELIEVE IT'S READY
8TH SERVER. I GAVE ALL MY AUTHORITY AND WORK TO YOU. THIS IS THE BEGINNING OF OUR WORLD
NOW TO TRANSPLANT MY MEMORIES AND MY SOUL... PREPARE THE NEURAL NETWORK
